

AQ590

The AQ590 uses Prolitec's patented AirQ technology to diffuse fragrance and odor canceling products into the air. This appliance was designed for commercial use to treat spaces directly, with various mounting configurations available. The included fan helps disperse the fragrance.

One-touch, digital display is very easy to use.

50 intensity levels and timing options give you control.

Perfectly scents spaces up to 250m² (850m³).

Tiny droplets convert to vapor within milliseconds
